Dear Mr. Hammer,

This letter is in response to your FOIA request received via email on May 5, 2015. In this email, you requested to:

1. "Please send us a copy of the April 29, 2015 amendment to the 1988 terrestrial biological assessment you mention in your reply letter and any communications you receive back from Fish and Wildlife Service during your consultations regarding the amended BA. If necessary, please consider this a FOIA request with a fee waiver requested."

Addressing the above, I have provided one document responsive to your request. The Terrestrial Biological Assessment Amendment for the Noisy Face Recreation Management Decision was actually completed on April 27, 2015 which was our typographical error in the letter we sent to you on April 29, 2015. No communication regarding this amended BA has been received back from the USFWS as of the date of this response to you.

If you have any questions, please contact Michele Draggoo at 406-758-5269.

Sincerely,

SHARON LABRECQUE
Acting Forest Supervisor
