Dear Keith,

I am withdrawing the September 25, 2012 Decision Notice on the Griffin Creek Resource Management Project. Now that the Decision Notice has been withdrawn, none of the activities previously authorized under that notice may occur unless and until the Forest Service performs new National Environmental Policy Act (NEPA) analysis.

If you have any questions regarding the withdrawal of this decision, please contact Tally Lake District Ranger, Lisa Timchak at 406-758-3527.

Sincerely,

CHIP WEBER  
Forest Supervisor
